    - Going well for baseball. Some of the teams we're playing seem young right now, but it's good.
    - Softball is struggling scheduling games because trying to do Sunday games, but soccer is active in other towns. Practices are going well.

    - Looking to get input at the next General meeting; send email out to solicit before then.
    - Ideas for getting more people at meetings?
      - Move meeting? Casey O'Neill said soccer has said they will be moving their monthly meeting not to conflict, so we won't move ours.
      - Startup committees and quick meetings on General meeting nights.
      - Startup different coach topics to do a spot light on each month.
        - Need to line up volunteer umpires or other SMEs to run
        - Could use a video from the web
  - Season Review Discussions – There will be an open discussion time at the October general meeting for all managers and coaches to discuss this year's seasons in advance of finalizing any plans for 2018.
