CHANTILLY LITTLE LEAGUE CHARTERS WITH LITTLE LEAGUE INTERNATIONAL

- All divisions from Tee Ball through Majors are chartered with Little League and must follow Little League Rules and Regulations.
- All players must reside (or attend a school full time) within our Chantilly American or Chantilly National Little League boundaries. Teams will be comprised of players from the same league and will play interleague games.
- All players in Minors (AA, AAA) and Majors will be drafted to teams after attending player assessments/tryouts.
- Single A, Coach Pitch, and Tee Ball teams are primarily formed based on neighborhoods and schools.
- All players will have the LL Patch on their left uniform jersey sleeve.

Chantilly Little League is actually two leagues (Chantilly American Little League and Chantilly National Little League) operated under one board of directors, as approved by the Little League Baseball Charter Committee in Williamsport, PA. Our two leagues are defined by the Little League geographical boundary method. Players must reside within or attend (full time) a school that resides within the Chantilly American or Chantilly National boundaries. The official Chantilly Little League boundary maps and the schools that are located within our league boundaries are here: <http://www.eteamz.active.com/valldist10/files/chantillyBoundaryMaps.PDF>.

Chantilly American and National Little Leagues are part of the Little League Southeast Region, Virginia District 10. There are 16 LL districts in the Commonwealth of Virginia. District 10 leagues and boundary maps can be found here: <https://www.eteamz.com/valldist10/files/VirginiaDistrict10BoundaryMap.pdf>

VOLUNTEERS

Chantilly Little League is an all-volunteer organization. We can't do what we do without you. Please consider volunteering to coach, umpire, work the snack shack, help maintain our fields, work a field improvement project, become a sponsor, and more. Even if you don't step up as a head coach, parents are needed at practices. Helping players learn how and where to throw the ball, and which direction to run and when to run is a full team effort. More importantly, it really is fun!

WHAT IS LEAGUE AGE?

Little League determines eligibility by league age. Please check the league age chart for 2017 [here](#).

WHAT IS THE DIFFERENCE BETWEEN TEE BALL AND COACH PITCH?

Tee Ball is for first time players. In Tee Ball, players hit a ball off a batting tee. Tee Ball and Coach Pitch teams are kept small in order to maximize hitting and fielding opportunities for each player. Players hit a soft, safety ball off of a batting tee and run one base at a time, while fielders learn to field the ball and throw the ball to first base. Every player bats and plays the field every inning. All players are safe on the bases.

Coach Pitch is for players who have completed a season of Tee Ball. Coaches pitch a soft, safety ball to players (a tee is used if batter unable to hit the pitches) while fielders learn to field the ball and throw the ball to any appropriate base. Every player bats and plays the field in each inning. Players begin to learn the concept of force outs, and the position of catcher.

WHAT LEAGUE AM I IN?

Chantilly American and Chantilly National Little League are defined by geographic boundaries in which players must reside – or attend a school full time that is within the league boundary.

Chantilly Little League and SYA Little League jointly charter and operate the Sully Challenger Division. Players must reside within a Chantilly or SYA Little League boundary or attend a school located within either of the boundaries.

SPRING 2017 CHANTILLY LITTLE LEAGUE FREQUENTLY ASKED QUESTIONS

WHAT AND WHEN ARE PLAYER ASSESSMENTS?

All players hoping to play AA, AAA, and Majors must attend player assessments that will be held Sun 5 March from 12 noon to 8 PM (specific times will be posted on our website and Facebook page soon) at D1 NOVA, [14434 Albemarle Point Place, Suite 100, Chantilly, VA 20151](#).

Players will throw, field, run, and hit while observed and rated by team managers and league officials. Ratings will be used by managers to help draft players to teams.

Players should wear sneakers (no cleats), dress like a baseball player (hat, baseball pants, shirt tucked in), and bring a glove. Players may bring a helmet and bat, but not required.

HOW ARE TEAMS FORMED?

AA, AAA, and Majors teams will be formed through league drafts. While all 12 year old players must be drafted to a Majors team (unless a waiver requested by parents and approved for the 12 year old to play AAA), the number of 11 and 10 year olds who might be drafted is a function of their assessment and whether they are selected in the draft. Drafts will be held within two weeks of player assessments.

Tee Ball, Coach Pitch, & Single A teams will be formed by neighborhoods and schools, and special requests by league.

Players are not assigned to teams based upon their desired practice night or carpool requests.

WHEN ARE PLAYERS ASSIGNED TO TEAMS?

All teams should be formed by 15 March.

WHEN WILL I HEAR WHAT TEAM MY CHILD WAS ASSIGNED TO?

Within two days of each draft team rosters will be released to managers to contact player families. Draft dates will be posted on the website calendar. Teams that are not formed by draft should be announced by 15 March.

I HAVE NOT BEEN CONTACTED BY OUR TEAM MANAGER, WHAT DO I DO?

If you have not been contacted two days after your player's division draft or by 18 Mar, please contact your league vice president Chantilly American - cavp@chantillylittleleague.org or Chantilly National - cnvp@chantillylittleleague.org.

WHAT WILL MY CHILD NEED TO PARTICIPATE?

Your child should have athletic shoes or cleats, a glove, and a batting helmet for all games and practices. Shoes with metal spikes or cleats are not permitted. Players will need to provide socks, a belt, and uniform pants.

The league will provide a hat and a jersey to each player as well as catcher's gear for each team.

Players should wear baseball pants and tuck in their shirts for assessments, practices and games.

Tee and Coach Pitch player can wear sneakers.

All boys should wear a protective cup. No player may play the position of catcher without a protective cup.

Coaches (assistant coaches) assist the manager in conducting practices, developing players, know the rules, and fill in for the manager when needed.

If you are interested in managing, coaching, or umpiring please check the appropriate box when registering your player. If you do not have a child to register, but wish to volunteer, please use the volunteer registration through the CYA Registration website (http://www.chantillyyouth.org/registration/index_E.html).

All volunteers must submit a completed “[2017 Little League Volunteer Application](#)” or “[2017 Volunteer Application - Returning](#)” as well as a legible “copy of a valid government issued photo identification”. Contact safety@chantillylittleleague.org to deliver completed applications.

Adult umpires will be required to attend training if they have not previously done so.

I WANT TO VOLUNTEER, BUT I HAVE NEVER COACHED BEFORE. CAN I?

Knowledge of the game is essential but it is not the only badge of a Little League coach or manager. It is required that the manager and coach have understanding, patience and the capacity to work with children. The manager and coach should be able to inspire respect. Above all else, managers and coaches must realize that they are helping to shape the physical, mental and emotional development of young people.

Little League International recognizes and appreciates the challenges that come with being a Little League manager or coach, so it has developed a free on-line coaching resource that Little League managers and coaches can turn to for reference, education, or to stay current with the latest drills and coaching techniques.

The Little League Coaches Resource Center, located on the World Wide Web at: www.LittleLeagueCoach.org, is a free service created by Little League International in cooperation with Cramer Digital Marketing and Event Solutions in Norwood, Mass.

Little League has put together a Tee Ball Program guide for coaches (<http://www.littleleague.org/Assets/2013TeeBall.pdf>) as well as a Coach Pitch program guide (http://www.littleleague.org/Assets/forms_pubs/coachpitch/weeks-1-12.pdf) – both of which can be applied to players of all ages.

USA Baseball has a mobile app (playball Mobile Coach) and a great website (<http://web.usabaseball.com/playball/>) with practice plans and more.

Chantilly Little League posts a number of useful references on our website under documents as well as the “Hey Coach” section of the website.
