Dear Mr. Fitzhugh:

Under authority granted by the Charter Committee in Williamsport, Pennsylvania, the Southeastern Region Director approves the request for your Leagues to operate two leagues under one Board of Directors for the **2016 regular season only**. The leagues must continue to request approval annually.

Also, your leagues are approved to use the Geographical Method for dividing the leagues for the **2016 regular season** and must also be requested annually. We acknowledge receipt of the boundary map you submitted and it has been placed in your leagues' file at this office as the official boundary map provided. It meets the requirements of the regulation and has no overlap of boundary, nor had any unapproved modifications.

Please extend our warmest regards to the Membership and Board of Directors of your leagues, and we hope you have a safe and successful 2016 season of play.

Sincerely,

JEN COLVIN
Southeastern Region Director
Little League Baseball and Softball
