DISTRICT BOUNDARY CLARIFICATIONS

All issues involving district boundary matters should be first attempted to be resolved by the District Executive Supervisors involved. The resolution needs to be reduced to writing and forwarded to the President of the Knothole Club for updating the directory. If the issue can no be resolved by the District Executive Supervisors, then the matter must be brought to the Executive Board for resolution. The resolution, in this case, will be documented in the Executive Board meeting minutes.

All Miami, Ohio players with non-Milford School District address shall play in District #4. Miami, OH players with Milford School District mailing addresses shall play in District #45N.

Blanchester, Ohio will remain in District #26 as long as the Blanchester School District remains in the Southern Buckeye Conference (SBC) for their sports program. If and when the Blanchester School District leaves the SBC, then Blanchester will transfer to District #34 with the rest of Clinton County.
