

GREATER CINCINNATI KNOTHOLE ASSOCIATION
2019 WEST REGION LEAGUE GAME PLAYING RULES – REVISED - December 2016
Class D Junior (8U)

Follow all Major League and Greater Cincinnati Knothole Association rules subsequent to the General Rules except:

- 1. OFFICIAL GAME (GCKA Rule #8 – Restated) –**
 - a. Class D Junior is 5 innings
 - b. Official games may end by run rule as indicated by 10 runs after 3 innings are complete (2 ½ if home team is leading). If the home team achieves the 10 run lead before the start of or during the bottom of the inning, the game shall immediately end and the rest of the bottom of the inning is not completed.
- 2. THE KNOTHOLE PITCHER (GCKA Rule #17 Followed as written)**
- 3. CONTINUOUS BATTING ORDER MANDATORY & MINIMUM PARTICIPATION RULE –**
 - a. The Continuous Batting Order under GCKA Rule #19(b) is mandatory and shall be used by both teams at all times. VIOLATION PENALTY: FORFEITURE OF THE GAME
 - b. All rostered players dressed and in attendance at the start of a game must play two (2) complete defensive innings and have one (1) actual plate appearance. Extra innings are not considered part of a regulation game for purposes of this rule. Also, an imputed (potential) plate appearance in the home half of the last regularly scheduled inning does not count as an at bat for this rule; the player must have at least one (1) actual plate appearance. This rule does not apply to games ending by run rule or otherwise suspended or shorten. This rule does not apply to an injured player. VIOLATION PENALTY: FORFEITURE OF THE GAME
 - c. A player with a cast may participate in games. Their participation may be limited due to the player's situation without any violation of this rule. Any situation like this should be brought up during ground rules.
- 4. NO PITCH INTENTIONAL "FOURTH BALL" -** No pitch intentional "fourth ball" is allowed. No pitches count toward the pitcher's pitch count. The plate appearance continues with one of the batter's own coaches pitching to the batter from the pitcher's plate under all the rules stipulated in rule 11 below. GCKA Rule 17H does not apply
- 5. COURTESY RUNNER -** This rule applies only to the player who finished the previous inning as the catcher, not a player who might become the catcher in the next inning. If the continuous batting order is being used, the player who made the last out shall be used as the courtesy runner. For all other batting order options, any player who is not in the batting lineup may be used as the courtesy runner. In any case, the courtesy runner does not enter the scorebook.
- 6. INNING RUN RULE -** During innings one and two an offensive half inning will be limited by 7 runs scored or three outs; whichever comes first. During innings 3 and beyond, an offensive half inning shall end after 3 outs. (REVISED IN 2016)
- 7. NO INFIELD FLY RULE –** The infield fly rule shall not be called or enforced.
- 8. BALKS –** Balks shall not be called or enforced.
- 9. LEGAL LEAD OFF / NO STEALING / NO PICKOFFS –**
 - a. Base runners can lead off. The base runner's lead can be no more than six (6) feet off the base; umpire's judgment (suggest marking this with a chalk line at first base).
 - b. The base runner, after getting his/her lead of no more than six (6) feet off, must remain stationary until the pitched ball crosses the home plate or is batted; if the base runner moves toward the next base before the pitched ball crosses home plate or is batted, the base runner and their entire team will be given one (1) warning per team per game. No form of stealing will be permitted. After the one (1) warning has been given, the runner shall be called out.
 - c. If the base runner attempts a walking/running lead/steal, the base runner and their entire team will be given one (1) warning per team per game. No form of stealing will be permitted. After the one (1) warning has been given, the runner shall be called out. The base runner however can't be "quick pitched" into a walking/running lead.
 - d. On an un-pitched or un-batted ball, no base runners may advance and no base runners are at peril. No pickoff attempts of any form are allowed.
- 10. DROPPED THIRD STRIKE –**
 - a. On a dropped third strike by the catcher, the batter is out.
 - b. The ball is dead, no base runners may advance and no base runners are at peril. No form of stealing will be permitted. No pickoff attempts of any form are allowed.
- 11. NO BASE ON BALLS / COACH PITCH / BUNTING –**
 - a. The batter shall not be entitled to a base on balls by a called fourth ball.
 - b. No pitch intentional "fourth ball" is allowed. No pitches count toward the pitcher's pitch count.
 - c. Upon the fourth ball being called by the umpire, the ball is dead and one of the batter's own coaches shall pitch to the batter from the pitcher's plate. The player catcher shall catch in the same manner as if it was a player pitcher. The player pitcher shall remain on the mound and not obstruct the coach pitcher. If there is no mound, the mound shall be considered a six (6) foot radius from the center of the pitcher's plate.
 - d. The batter retains the same number of strikes he had accumulated from the player pitcher and continues to accumulate them just as if a player pitcher was pitching instead of a coach pitcher. The umpire shall use the same strike zone to call strikes as he had with the player pitcher. The batter shall strikeout if he accumulates a total of three (3) from the player and coach pitchers.
 - e. Therefore, the plate appearance ends with a batted ball or a strikeout. No base on balls or hit by pitch can be earned off the coach pitcher.
 - f. Bunting is allowed off the player pitch or the coach pitcher. A runner may advance to home plate on a bunt provided they follow the rules of leading off. Therefore, the "suicide squeeze" play is not allowed but the "safety squeeze" play is.

During regular season play, if the score is tied then a tie shall be recorded for both teams. During a tiebreaker playoff or tournament play, if the score is tied then the game shall be reviewed by the Tournament Director to determine if the game will be played to completion or declared complete.
 - d. Any games that can't be declared complete as outlined above shall be reviewed by the League Supervisor to determine if the game will be played to completion or declared complete.
- 15. PROTESTS:** Any formal protest on a field play must be made to the Umpire-in Chief who shall be the plate umpire. Umpires are expected to accept all protests. The opposing manager must be notified before the next legal pitch is made. Both scorebooks must be noted and signed by the umpire in chief and both managers. A written (preferably typewritten) statement of fact, setting forth the date, time, and all matters covering the formal protest and a fee of \$50.00 in cash (no checks), must be submitted by the official team manager in person to a Regional Board Officer prior to noon of the next day. The information must include a full statement of facts, such as the number of outs, men on base, ball and strike count, and the rule number violated. (See GCKA Rule #14). Failure to meet any of these requirements will result in the automatic denial of the Protest. The Regional Board will hold a hearing on a Protest as soon as is reasonably practicable One adult advisor may assist team managers at the Regional Board Protest hearings. The \$50 fee will be returned to the team manager filing the Protest ONLY if the Protest is allowed. Otherwise the fee will be retained by the Regional Treasury.
- With respect to a protest regarding ineligible players, each player whose eligibility is in question shall be regarded as an individual protest and a fee of \$50.00 in cash for each player in question shall be necessary. A protest as to a player whose eligibility is in question may be made only by an official team manager of a competing team or the designated representative of any community participating in the West Region. A protest as to an ineligible player may be made at any time until the league play (both regular season and tournament play) is concluded. The Regional Board will hold a hearing on the protest as soon as is reasonably practicable. At the hearing the party making the protest and both the official manager of the team and the player or players whose eligibility is in question MUST attend the hearing. If any necessary party fails to attend the Regional Board Protest Hearing, the Regional Board will assume the correctness of the other party's position and decide accordingly. All decisions of the Regional Board on any Protest are final and not subject to further review.
- An appeal from an umpire's judgment is not considered a valid basis for a protest. However, if protested, the fee will automatically be forfeited and retained by the Regional Board's Treasury
- 16. IMPROPER BEHAVIOR AND SUSPENSIONS:** The use of alcoholic beverages, profane language, or improper conduct is prohibited (see GCKA Rule #21)
