Corona Virus Updates

Hello Parents and Players,

We have been given the green light to start summer practice Monday, June 1st. The process in getting back to regular activity will happen in four phases as directed by Gilbert Public Schools. The first phase will take place for a minimum of two weeks. In phase one we will have to keep players separated by six feet; there will be no ball and no spotting in the weight room.

Schedule:

In this first phase, we will have the FRESHMAN come Monday and Wednesday, 6 pm to 8 pm on June 1st, 3rd, 8th and 10th. SOPHOMORES come Tuesday and Thursday 6 pm to 8 pm on June 2nd, 4th, 9th and 11th. VARSITY will meet June 1st at 7:00 am and will be broken up the rest of the two weeks by position. All players will meet in the visiting stands at the start of practice. At the conclusion of phase one, there could be changes to the schedule. Please be flexible with us as we find out the district directions as to what we can and cannot do as this unfolds. As I obtain more info regarding phase two, I will send it out to you. My goal is that by July 1st we are all practicing in the morning.

Cost:

I have dropped the summer cost. It will now be \$100, as that will just cover the cost to host camp. I know that the virus has made for some tough times. I am going to ask that if the virus has not had the same effect on your family, that you please pay the normal rate of \$150. The school does not host the summer camp, therefore all fees are paid for by Top Gun Camps.

I am sure many of you have questions. However, I do not have much more to share as we are still meeting with the district about moving forward. I am excited to resume working with the guys and I can't wait to get back on the field! The coaches have been meeting and I believe we have a plan to ensure the team is ready for the season.

Please return the top portion of the Summer Camp form signed with payment at the first practice.

If you have, questions please feel free to contact me:
