LEARN-TO-PLAY HOCKEY

12-WEEK CLINIC

The GNH Warriors Learn-to-Play Hockey clinic is a preparatory program designed to teach new and returning players age 4-10 proper skating and introductory hockey skills. This program is for players who have completed a learn-to-skate or learn-to-play hockey program in the past.

EQUIPMENT

Full equipment is required. Discounted new equipment packages are available from The Pro Shop of Northford Ice Pavilion and used equipment is also available from Hamden Sport Center at 2858 Whitney Ave in Hamden. Players will receive a GNH Warriors jersey.

TUITION

\$250 for 12 on-ice sessions. There is also a \$47.50 USA Hockey registration fee for players age 6 and up that are new to the program. If a player participated in the Fall First Strides program, their USA Hockey registration number is still valid.
