Kevin Weirich – (President) - Items for Discussion

- **GLYFL Rule Changes** – Green Stripe rules have been changed. B and C Divisions will play with Pee-Wee Football and A will play with Junior Size footballs.

 - First week of practice – July 24th
 - Conditioning Week – Week of July 16th
 - Draft on July 19th
 - Picture Day – Go with Legends Date to be Determined

 - First Week of Games – 19th and 20th of August
 - Superbowl is October 28th
 - Golf Outing – TBD
 - Fundraiser – Ashley Seacrist is heading up per Kevin and she is exploring options
- **Coaches and Teams:**
 - Need to review the process of coach selections and kids prior to the draft. If a coach drops off of coaching in a team that he coached last year then his kid needs to go back in the draft. Need to draft and email and send out to all coaches. This is being done to prevent stacking of teams. If your kid is in a noncoached kid then he stays on the team but if he was a coached kid and the coach is gone this year then he goes back in the draft. Matt to draft letter and Todd to send out.
- **Riverhawks Signs** – Need to get signs set up.

Todd Soppitt – (Secretary) - Items for Discussion

- **B Coaches** – Ben Reutter is stepping up to be a coach. Todd will take a team (Gold). Ben will take (B Black). Michael Diffenbacher will assist and wants to assist with Reutter.
- **AED Devices** – We are on a waiting list for the device. Kelly Flenner found one available to purchase now. Everyone on the board gave the go ahead.
- **Certifications** – SCA there is nothing out yet. We're all sitting in a holding pattern waiting for the legislation to be finalized.

New Items for discussion:

- **Flag Football at RHS** – Reviewed the possibility of having Flag Football league at RHS. Have conversation with Bors. Need to review Lacrosse and Soccer and how they are using the fields.

- **Mayfield:** Mayfield will be joining the league again this year. 2 Year probationary period. If we have games at Mayfield they will be at the high school.
- **Superbowl** – Superbowl will be at Mentor High School this year.
- **Browns and GLYFL pushing 7 on 7 Modified Tackle** – Currently they have roughly 40 kids signed up. They are looking for us to put a team or two into the league and the Browns will kick back funds to us to do it. There are no current roles defined or weight limits in the program. They have A, B and C Divisions. The game field size is 40 yards. Ron Wilkinson of the GLYFL is pushing the program with the other GLYFL leagues.
- **GLYFL President** – Duane is no longer president because he was ill. So now Duane is assuming Secretary position and Ron, George and Byron are stepping up to manage.
