### **Somers Tuskers Booster Club**

***“The mission of the Somers Tuskers Booster Club is to create a cohesive and balanced athletic experience for the student-athlete by working together collectively and collaboratively as an athletic family to encourage the personal best for all athletes.”***

Our organization and fundraising efforts support all boys and girls sports teams equally with purchases that enhance current and future programs. Recent purchases include: championship banners, portable scoreboards, scoring table and podium, portable sound system equipment, golf cart, a contribution to the new baseball dugouts as well as spearheading the projects to obtain a scoreboard for the baseball field and for turf 2. We have also contributed to the new mural above the Snack Shack and have installed brick patios near the football field to help enhance our campus.

The Club awards four (4) \$1,000 scholarships annually to SHS senior athletes who meet our criteria and are current Club members (beginning with the class of 2016 you must be a 2 year consecutive member). Please look for our application on the school’s athletic website or through Naviance. In addition, we have 3 awards at \$500 each called the “Impact Awards”. These are given to 3 senior students or athletes who contribute to the athletic program. Candidates and recipients of these awards will be determined by the Booster Club Scholarship committee, all Varsity coaches, and the Athletic Director and school administrators. No application is needed for these awards.

**Membership fee is \$30 each year or \$100 for four years. This will enable us to continue our contributions to the Somers athletic programs.** Members are invited to attend Club meetings at 7:00 pm on the second Wednesday of every month at the High School. Meetings are also listed on the school calendar. ***Please consider joining.....together we can bring this club to a level that will support Somers evolving athletic program!***

For additional information please visit the Somers Tuskers Booster Club webpage located at <http://www.somersschools.org/Page/5791>.
