SPRINGFIELD THUNDERBIRDS BOOSTER CLUB

February 3, 2020

Dear Youth Hockey Association Board,

My name is Nancy Haryasz and I am vice president of the Springfield Thunderbirds Booster Club. Several years ago, we established a scholarship fund in honor of Duncan MacPherson, a Springfield Indians Hockey player, who went over to Europe to ski and was lost in an avalanche. Traditionally, this scholarship went to students for college. We decided to change it up and are now providing the funds for one youth hockey player with a scholarship to the Springfield Thunderbird captain, Paul Thompson's Hockey Camp at the MASSCONN Training Center in Agawam this summer.

There are two sessions, one for 5-8 year olds and one for 9 to 12 year olds. (See the attached flyer for additional information.) The requirement will be that the player should complete a short paragraph on the attached application in their own handwriting stating what they would like to accomplish at camp if they are chosen. We understand that some of the younger children may not be able to write themselves but the response should be in their words.

The Booster Club will have the applications during Thunderbirds games at their table under section 25 on the concourse at the MassMutual Center through the March 8th game and will accept them at the table through the Thunderbird's game on March 14th. We only man the table before the game and during the 1st intermission.

Please feel free to copy the attached application and flyer to give to any of your youth hockey members between the ages of 5 – 12 years. Deadline to apply is March 15th.

You can either, collect them all and send them in as a group, or have the parents send them in individually. They should be sent to the Springfield Thunderbirds Booster Club, P.O. Box 1285, Springfield, MA 01101.

Sincerely,

Nancy Haryasz

Vice President

Springfield Thunderbirds Booster Club
