3. Next go into the Master schedule and select **1 GAME FOR THE CURRENT WEEK** by changing the game from unassigned to umpire. You will get a message from the system telling you that it was successful.

We want to make sure all umpires work each work. If there are additional games left over, these will be assigned by the Umpire Coordinator. Any games chosen more than one week in advance will be reset to unassigned by the Umpire Coordinator.

The screenshot shows the 'Master Schedule' page. On the left is a navigation menu with options like Home, Team, Officials Area, PLO Field Numbers, Background Check, Sports Board, Coaches Contact Information, Master Schedule (highlighted), PLO News, Handouts, Pictures, Sponsors, Fields, Feedback, and Join Our Email List. The main content area has a 'Master Schedule' header, a 'Show games only' checkbox, and navigation controls for dates (03/07/2016 to 03/13/2016). A table displays game details for Monday, 03/07/2016, at Pembroke Pines, Pembroke Lakes Field 2. The game is '6U PLO Yankees (h) vs. 6U Miramar Yankees' at 7:00p - 8:30p. The 'Type' column shows 'Game' and the 'Off' column has a dropdown menu currently set to 'Not Assigned'. Below this, the schedule continues for Tuesday, 03/08/2016, and Wednesday, 03/09/2016, with a game at Pembroke Pines, Pembroke Lakes Field 3.

This close-up shows the dropdown menu for the 'Off' column of the game on Monday, 03/07/2016. The menu is open, showing three options: 'Not Assigned' (selected), 'Not Assigned', and 'Umpire'. The 'Umpire' option is highlighted in blue.

A dialog box from leagueathletics.com displays the message 'Assignment successful!' with an 'OK' button. The background of the page shows a baseball and the text 'THE OFFICIAL HOME OF'.

- Next go back into the officials area and click on my schedule. This is where your schedule will be if you need to see it for any reason.
