

YOUTH HOCKEY FUND APPLICATION GUIDELINES

THE JOHN CARTER "HIGH FIVE" YOUTH HOCKEY FUND

This fund was created in 1996 by former Boston Bruin and Ice Cat John Carter and his friends. They recognized that many interested and talented youth are prevented from participating in ice hockey due to financial constraints.

THE CHRISTOPHER J. PASKELL MEMORIAL FUND

Christopher Paskell was only twelve when he died in an accident in 2003. His family and friends created this fund to honor his life and his enjoyment of hockey by giving financial assistance to youth members. Preference is given to members of the Lakers Youth Hockey league.

FINANCIAL ASSISTANCE FOR YOUTH HOCKEY MEMBERS

These Funds provide financial assistance to low-income youth, ages 5 to 17, to participate in team hockey in Central Massachusetts. Families may request up to \$200 per youth to assist with the costs of league fees, hockey instruction or equipment. Financial need will be determined by the Greater Worcester Community Foundation based on applications received. Awards are paid directly to the youth hockey association and are restricted for the selected applicants. The application process and awards are strictly confidential.

DEADLINE FOR APPLICATIONS: **SEPTEMBER 17, 2012**

If you are eligible for an award, please send your request to the Greater Worcester Community Foundation using the application form. Completed applications must be received by 5:00 p.m. on September 17, 2012. Decisions will be made within 30 days. All applicants will be notified.
