

# Welcome to Mount Si Lacrosse Club Sponsorship.

This program is designed for companies and individuals who have decided they can generously provide funds to pay for youth programs, field rentals and coaching support by sponsoring the club, and in turn, receive valuable recognition.

Fielding competitive teams starts with recruiting high quality coaches, and we're very proud of the coaches we have assembled for this season. They are committed to the mission of our program and dedicated to developing young athletes into great people. But good coaches are one of the biggest expenses for the Club - along with field rentals - and your Board is working diligently to manage costs and keep our dues reasonable.

We're launching three levels of Sponsor for the 2019 Lacrosse season. Wildcat is our highest level for donations of \$1,000 or more (you have an option for custom). Black is next at \$500, and Red is our entry-level sponsorship at \$250. We also have a general family sponsorship.

(Recognizing that may not fit every budget, we also will accept any donation you specify)

There are three levels of sponsorship for the 2019 Season at this time.
