Riverside Gridiron Virtual - Live Online Reverse Raffle Rules 2020

This event will be Live on Riverside Beavers Football Facebook Page starting at 7:00pm

1. Main Board Prize is \$3,000
2. Any remaining tickets for the main board are the possession of Riverside Gridiron
3. Once we reach the last 5 remaining tickets, we will pause the raffle for up to 15 minutes. The last 5 remaining main board ticket holders will be an automatic split unless we are notified within the 15 minute window of their intention to proceed. (\$600 to each ticket holder)
4. If any of the top 5 remaining ticket holders come forward stating they do not want to split, the raffle will continue as such until only ticket holders who wished to split (did not contact us) or until one ticket holder is left.
5. The last number drawn is the winner; however, this year The Gridiron will see to it that all "splits" are administered.
6. Riverside will settle all disputes and their decision is final

**The Riverside Gridiron understands and appreciates that these rules differentiate from years past; however, they are in place for the new format which brings the possible difficulty of communication among ticket holders and/or The Gridiron Club.
