An Update from BAC surrounding COVID-19

Hello BAC Families

I know we are all wanting to see our kids in all our regular sports programs, but we also want our kids safe. We are constantly monitoring the situation and updating our sports as need be with following the guidelines from the district and MDH.

As you may have heard, we have decided to cancel our Flag and Tackle Football programs this year. The MSHSL came out yesterday and decided to move all Football to the Spring. High School season will be March 15th to May 15th with moving Spring sports back just slightly to fit it in. Hopefully we can try and do something similar, time will tell.

As I get information about our other programs, I will email out updates.

We hope you are staying healthy and well, we look forward to the day that we all can return to our normal sports schedules.
