To Whom It May Concern,

One Team Lacrosse offers lacrosse instruction at many levels. Our program is made up of highly experienced individuals from across the country with a history of fundamental skills coaching as well as a strong competitive track record. The One Team Lacrosse staff has worked with hundreds of youth lacrosse players from Kindergarten through twelfth grade and beyond. Our players begin and grow with us throughout their academic career. Most go on to college, and many of them return to volunteer their time or join us as instructors. We not only provide a positive extracurricular activity, but we encourage our players to give back to the community.

Lacrosse is not an AIA sanctioned sport in Arizona, so we receive no funds from the school district. We are a non-profit entity. We try very hard to keep our fees at a minimum to allow a broader range of participation and inclusion in our area. We welcome students from all CUSD schools as well as private/charter schools within Chandler and Gilbert. Our expected membership next season is over 250 players. Our season lasts from November until playoffs in June.

Our costs include league fees, fields and lighting, field lining and other equipment like netting, goals, and balls. We must pay officials, emergency medical staff, and fees for tournaments. We also pay insurance to both the US league and the Arizona league which cover the team members for personal injury or any to property. We pay for uniforms which consist of shorts, jersey, shooter shirts, and pinnies. We only pay coaches a small stipend, so the many hours they volunteer are out of love of the sport. Our administrative folks are 100% family volunteers. Your donations go exclusively to support the member teams of One Team Lacrosse. Donations can be directed to support a particular team or player and are 100% tax deductible.

**Thank You for your support!**
