

Chapter Regional Growth Development Coordinator

- Meet with and understand needs of local lacrosse organizations with regards to growing the game and support accordingly
- Evaluate the region and propose a plan to expand lacrosse participation.
- Introduce USL PE Curriculum and training into schools in conjunction with local lacrosse organizations or separately if no local lacrosse organization exists.
- Assist new lacrosse organizations directly with growth initiatives or with chapter and local league support.
- Share the needs of the local lacrosse organizations with the chapter board
- Communicate with the local youth lacrosse organizations and HS league(s) about chapter/USL initiatives and activities that affect or would be of interest to them
- Create relationships with private & public-school boards via Athletic Director's and PE Teachers.
