

## Non-Resident Form

We are aware that even though we have registered our daughter(s) in the Morton Girls Softball Association (MGSA) program that her team will still need to meet the 2/3 residency requirements set forth by the affiliate agreement between The Morton Park District & MGSA. MGSA is allowing applicants from out of town on a first come first serve basis and if the team residency is met with applicants prior to your daughters' application then you will be contacted by MGSA and given a full refund of payment. Please see the agreement between Morton Park District and all of their affiliate groups (MGSA included)

### Morton Park District Affiliate Group Guidelines

*Morton Park District Affiliate groups are defined by their unique relationship with the Morton Park District (MPD). Affiliate groups are governed by boards comprised of volunteer members with their own by-laws and financial resources. The Park District co-sponsors these groups by giving them access to agency athletic facilities (for their specific sport) for practice and game use. In return for the use of these facilities, the affiliate athletic organizations are expected to be committed to resident participation to build the future of Morton athletics for park district and high school programs. In order to assure resident participation for the tax supported resources supplied to these athletic groups, the Morton Park District is requiring the following residency requirements for use of Park District facilities:*

#### *\*Residency requirements/rosters •*

*All MPD affiliate teams must have a minimum of 2/3 or 66.7% Morton Park District or Morton Unit School District 709 resident participation to operate on park property or to have park approval for gym usage. (Individual affiliate groups may choose to require a higher percentage or even 100% residency.) This percentage applies to each team individually regardless of the overall program percentage.*
