

AVON HIGH SCHOOL BOOSTER CLUB

2020 - 2021 Annual Booster Drive

For over 25 years, the Booster Club has played an important role in the success of athletes and all athletic programs at Avon High School. This has only been possible because of our members and donors and their generosity. It is not only the student-athletes that benefit directly from Booster Club donations, but the Avon community. And your continued support is needed.

A robust and successful sports program plays an important role in the spirit of the students as well as the prestige and reputation of the town. The Booster Club invests in Avon Athletics by supporting resources, programming and scholarships. Investments like these help foster a successful athletic program and benefit student-athletes from the first-year novice to the varsity player. They also help to secure future athletics for our younger students. The support of all Avon parents as well as alumni and the community is critical to fund these programs. **Please show your Falcon pride and support by contributing to the AHS Booster Club today.**

The 2020-2021 school year will be a challenging year for Avon High School given the global pandemic environment, our students' eagerness to return to competitive play after no spring sports in addition to the competitiveness of the Central Connecticut Conference. Perhaps more than ever, our athletes seek the support of their community.
