

## CODE of CONDUCT

1. Players will abide by the Keller Independent School District (KISD) “NO Pass, NO Play” requirements and all other KISD eligibility requirements at all grade levels. Keller Lacrosse follows the KISD Athletic Eligibility Calendar. HS Players will remit a Grade Check Parent Permission Form and each HS will alert team staff if a player is not passing a class (es). Students attending private or out of district schools will submit a paper copy to the appropriate association representative. Youth players will need to submit or have their team manager check off current grades. Failure to submit grades will place a player in inactive status.
2. Players will abide by the KISD student code of conduct for extracurricular activities. This KISD code of conduct will supersede all rules of the Keller Lacrosse Association as related to player misconduct.
3. Player use of alcohol or tobacco before, during, and after the game, on or near the site of the event is prohibited. Illegal drug use will not be tolerated. If caught using any illegal substance, a player will be suspended or expelled from the program.
4. Parents and players are expected to display good sportsmanship toward teammates, the other team, all coaches, and officials at all times. **If you are asked to leave a game or practice because of inappropriate behavior, the Board of Directors in tandem with the KGLA Honor Board will review the situation and is authorized to suspend you from future events.** NTYLL/THSLL/TGHSLL suggests a one game suspension for parents if asked to leave a game for inappropriate behavior. KGL will abide by these terms.
5. Attendance at all practices and games is expected. It is the player’s/parent’s responsibility to notify your team’s coach or designated representative if unable to attend. Habitual, unexcused absences could result in decreased playing time and ultimately suspension from the team.
6. Fighting, foul language, stick throwing, taunting, ridiculing, or other temper tantrums will not be tolerated. A player will be immediately removed from the practice/game for any such behavior. Punishments and the re-joining of the activity are at the discretion of the coaches. Engaging in these behaviors could result in suspension from the team.
7. Players are expected to know the rules of the game. Unnecessary roughness or illegal hits are not acceptable. A player may be removed from the practice/game for infractions of these rules. A coach may remove a player even if a penalty was not called on the player.
8. Players/Parents will represent KISD and Keller Lacrosse in a positive manner. Any behavior, not specifically addressed in the Code of Conduct, that is detrimental to the team or is damaging to the reputation of KISD or Keller Lacrosse will subject the player to possible suspension from the team.

We understand our responsibilities and the consequences of any unacceptable behavior.
