

Duxbury Youth Baseball Majors Division  
Rules & Coaching Guidelines

The Official Babe Ruth Baseball Rules will apply, amended by the following provisions to the DYB Majors Division

1. The DYB Majors Division uses 8<sup>th</sup>-9<sup>th</sup> grade umpires. Abusive, confrontational, unsportsmanlike treatment of umpires will not be tolerated. Only the head coach should address the umpires in a calm, appropriate manner for clarification on a ruling. Judgment calls are not to be argued. Coaches are expected to control their players, assistant coaches, and fans. Coaches who fail to meet this standard will be considered for removal by the DYB Board.
2. The Umpires are to be paid by the home team coach prior to the game. In the event of a game being canceled prior to the start of the game but after the umpires have arrived they are to be paid half of their fee. Once a game has begun the umpires will keep the full amount of their fee if the game is called due to weather. Umpires will be paid the full amount of their fee for forfeited games (see Rule 4). The umpires will be instructed to stop games at the first sight of any lightening, or if darkness or wet weather are increasing risk of injury.
3. All games shall be 6 innings in length with a maximum of 2.5 hours. During May, no inning shall start after 7:45pm. During June no inning shall start after 8:00pm. No inning will start after 2:00 hours from the start of the game.
4. For an official game, a team must have a minimum of 8 rostered players present at the field 10 minutes after the scheduled start time (per the umpire's watch). Thereafter, the team with a shortage of players will forfeit. In that event, coaches should hold an unofficial game.
5. All nine positions must be fielded. In a game in which a team has only 8 players, the opposing team will staff the outfield position closest to their bench with the player who made the last out in the previous inning.
6. The home team will supply three (3) new game balls per game.
7. Derogatory or abusive comments (taunting, name calling) towards an opponent are not allowed.
8. A pitcher may only pitch 6 innings per week and 2 innings per game. A week is considered Monday through Sunday. One pitch constitutes an inning. A pitcher's 2 innings must be consecutive. (example: no pitching the 1<sup>st</sup> and 5<sup>th</sup>)
9. Quick pitches are not permitted. A batter must be set and facing the pitcher before a ball may be thrown to the plate.
10. Off- Speed pitches (such as changeups/knuckleballs) are permitted. Curve balls that involve putting torque on the wrist/elbow are not permitted, in order to avoid injury.
11. Dropped 3<sup>rd</sup> strike rule is in effect.
12. The balk rule is in effect. However, in the spirit of development the pitcher will be warned and instructed on their error by an umpire or the pitcher's coach, not the hitting team's coach. (This can happen at the time of the balk or between innings) Any time a base runner is picked off as a result of a balk, the rule will be enforced to the extent that the runner will be declared safe at the base from which he was leading.
13. Free defensive substitutions are allowed. Offensive substitutions such as pinch runners are not allowed except in the case of an injury.
14. All players on each roster shall bat in continuous order.
15. All players shall play a minimum of three (3) innings in the field.
16. Coaches should be used as base coaches whenever available. If a uniformed player is the only available base coach, he must wear a helmet.
17. Players cannot stand behind the home plate backstop. It distracts the pitcher. Parents, coaches, and fans should also be cleared from the area for the same reason.
18. Other than phiten-type necklaces and bracelets, players should not wear any jewelry.
19. Bats: All Bats must be USA logo bats. Any bats without the USA Bat logo are not allowed to be used. DYB has provided equipment bags with these bats if players do not have one.

20. Bunting is not permitted.
21. Double steals are not permitted.
22. No taunting of pitchers by baserunners or others is permitted.
23. Leading and stealing are permitted. No stealing of home is permitted. Runners can advance from third only: (1) On a hit/sacrifice fly/fielder's choice; (2) On a bases loaded walk or hit batsman; (3) On a wild pitch that gets past (behind) the catcher; (4) When starting from first or second on a hit/fielder's choice/error(s). Note: a runner on third cannot score on a steal attempt by a runner on first even if there is an error on the play at second. In that case the catcher has a free throw to second.
24. Batters who are walked may not at the same time advance to second when there is a runner on third base.
25. Runners must slide at any base where a tag play is being attempted, and must slide or avoid in tag plays at home plate.
26. Majors will try to conduct an all-star game with each team providing an allotted amount of players. All Star nominations will come from the coaches based on performance, attendance at games, and overall conduct.

### Coaching Guidelines

The DYB Mission statement defines the spirit of our program:

The mission of Duxbury Youth Baseball (DYB) is to provide a safe environment for the children of Duxbury to enjoy and learn the game of baseball. Our goal as an organization is to enhance every player's enjoyment of the game through personal instruction, group clinics, and organized games so that baseball becomes a source of lifetime enjoyment. DYB especially tries to promote baseball's fundamental principles of sportsmanship, fair play and teamwork that can be used throughout life to become better citizens.

DYB's spring season is developmental and recreational (Spring teams are not going to Williamsport or Aberdeen for the World Series). The players should compete and the coaches should facilitate. Coaches should approach games in a manner such that every player feels that he is an active participant in the game. When making lineups and placing players in positions a balance must be maintained between keeping the structure of the game at a reasonably high level and providing each player with an opportunity to be challenged. Some suggestions:

1. Avoid having players sit out consecutive innings.
2. Every player should play at least one inning at an infield position (safety permitting)
3. A pitcher hitting 3 batters in a game must be replaced and is not allowed to return as a pitcher in that game.
4. Consider giving a broad range of kids the opportunity to pitch. In particular, try to ensure that 11 year olds with pitching ability see time on the mound. Where your team has a large lead, using a pitcher who throws over the plate but with low velocity is a way to keep the game lively for all.
5. Players fielding first base and catcher should be reasonably competent at the position to keep the game structure intact and avoid injury.
