

**PINE-RICHLAND SCHOOL DISTRICT  
CHEERLEADING, GRADES 7-12  
COMPETITION PRICING ESTIMATES**

*The following are the rates from the 2019-2020 competition season. Please note that there is a buffer to cover cost increases for 2020-2021 competitions and UCA Nationals. A more detailed budget of the 2019-2020 season is expected to come out in July 2020.*

**VARSITY COMPETITION**

**Individual athlete cost: ~ \$1,900**

**This is above and beyond any sideline & apparel fees.**

The \$1,900 includes competition fees, choreography fees, and travel expenses for athletes and coaches to Nationals. (It does not include travel fees to any other competition or return flights from Nationals.)

- Varsity Competition Team traditionally travels to Ohio
  - All hotel rooms and meal costs are additional (~\$250)
- PIAA States in Hershey, PA (if team qualifies)
  - Transportation, room & per diem for meals ONLY is paid by school
- UCA Nationals in Orlando, Florida
  - Competition fee, flight to Orlando, coaches' fees (room & travel both ways) is estimated \$1,500 per athlete
  - Additional expenses include the return flight & meals for athlete only (~ \$500)

*The Varsity Competition Team participates in fundraisers, which helps to offset the cost of Nationals. The more girls participate, the lower the cost will be.*

Please note the Varsity Competition Team did not participate in any additional UCA camps this past year. For the team to qualify for UCA Nationals, either the Varsity Sideline or Varsity Competition Team must attend a UCA camp. If the Competition Team attends a camp this year, it will increase the estimated individual athlete cost.

- UCA Summer Camp (~\$469 + coach fee)
  - Bus: \$100 per athlete
  - Camp: ~\$369 per athlete + coach admission (~\$369 per coach)

**MIDDLE SCHOOL COMPETITION**

**Individual athlete cost: ~ \$350**

**This is above and beyond any sideline & apparel fees.**

The ~\$350 fee includes competition and choreography fees. The Middle School team does not travel overnight.
