

2020 Sponsorship Opportunities:

The Downriver Lacrosse Association began 4 years ago with a promise to share lacrosse to Downriver communities, and to support its growth and maturation. Our program has had tremendous success with hundreds of participants finding a new love for the sport. Over the last 2 years, our website has had over 70,000 unique visitors. And, for 2 years running, we hosted single day festivals with hundreds lacrosse players from several organizations for a series of games at Patrick Henry Middle School in Woodhaven.

This year we would like to reach deeper into communities and attract more players and coaches. We would like to help local school districts add lacrosse to their physical education curriculums, and we would like to establish a grant to make it easier for high schools to add lacrosse as a club or varsity sport.

Lacrosse programs in Michigan have doubled in the past 10 years, and interest in this area is extremely high. In order to help with costs related to facilities, equipment, training of coaches, and to keep registration fees low, we are looking to partner with businesses in the area by offering the following sponsorship opportunities.
