Why are you interested in serving as a board director for the NCWLO? Why should you be considered for the NCWLO board?

After bringing most of the NorCal women's game officials underneath the NorCal Chapter almost 4 years ago and incorporating the NCWLO, I am willing to spend one more year to make sure the operating procedures are established and tested before leaving the organization. Beyond establishing new non-profit organizations, I bring corporate operating experience both profit and non-profit.

Which board statutory positions, committee or other positions would be of primary and secondary interest? Note what in your background would make you qualified for each position.

I would like to rotate to VP and support a new president
