Describe your lacrosse related experience:

I just completed my third full year as a youth & women's lacrosse official.

Also, in 2018 I started serving as a volunteer board Director (Annual Service Coordinator) on the newly created Northern California Women's Lacrosse Officials (NCWLO) organization.

Describe professional and/or volunteer experience:

I work full-time as an energy coordinator to optimize and oversee energy consumption at a local oil refinery.

I have served many years as a volunteer board director on a local non-profit. I also have served one year as a volunteer board director for the local public middle school band.

Why are you interested in serving as a board director for the NCWLO? Why should you be considered for the NCWLO board?

I desire to serve on the NCWLO board to continue to develop and support youth / women's lacrosse in Northern California, and the development and growth of officials.

Which board statutory positions, committee or other positions would be of primary and secondary interest? Note what in your background would make you qualified for each position.

Annual Service Coordinator.

Currently serve this position on NCWLO.
