

ISCC Health & Safety Protocols

General Facility Rules:

1. We require all players, coaches, and spectators to fill out the Health & Safety Waiver every time they visit our facility. This is something we have always requested.
2. Masks or a secure face covering that covers the mouth and nose is a requirement for anyone visiting our facility.
3. Please do not eat in the building and limit drink consumption.

Locker Room Rules:

1. Players are only allowed entry to the locker rooms **20 minutes before** their game or practice start. Early arrivals will be made to wait. This is to ensure locker rooms are cleaned thoroughly in between each team's use.
2. The locker rooms are limited to **12 players per room**. There are tape lines on all of the benches designating seats. Once a locker room reaches capacity, extra players must get dressed on the benches around the rink. We ask that locker room monitors/coaches assist to make sure this is followed.
3. Masks are to be worn **at all times**.
4. No showers are permitted.
5. No food or drink is allowed.
6. Players are expected to exit promptly after undressing.

These rules will also be posted on the doors to the locker rooms. If these rules are broken, we will unfortunately close the locker rooms again.

Game Rules:

In addition to our other General Rules & Locker Room Rules, we ask that:

1. Spectators enter the building no more than 5 minutes before the scheduled game time and exit immediately after the game concludes. Please do not congregate in the lobby, and practice social distancing.
2. We are limiting our glass-side viewing. There are seats marked in the stands that we ask spectators to use instead.
3. Please try to limit to only one spectator per player. There are 45 spots marked in our stands.

We appreciate everyone's cooperation in following our guidelines. We look forward to a fun and safe season with everyone!
