

Avon Old Farms School

Ice Rink Protocols due to Covid-19 Virus

The guidelines listed below will remain in place until further notice. Please know that the safety of our students, employees and guests is our utmost importance and concern.

Player/Coach Regulations and Rules

- If Player/Coach feels ANY symptom of illness, they should not come to the facility.
- Player/Coach must come to the rink partially dressed, if possible. Locker rooms will be assigned. Please see posted schedule.
- Locker room bathrooms will not be available, only public ones will be open.
- Players/Coach should bring their own labeled water bottles already filled.
- Everyone MUST wear a mask or gaiter when entering, exiting, and throughout the facility. When on the ice and hockey helmets are on, a mask is not required for skater but everyone must social distance. Coaches must wear a mask when on the ice, if possible.
- Once on the ice, hockey coaches and players cannot remove any equipment.
- No spitting on the ice.
- No high fives, handshakes, hugs, etc.

Rink Regulations

- Enter and exit main entrance and practice social distancing directives.
- Hand sanitizer dispensers will be available at the entrance of facility. Please make sure it's used when entering and exiting.
- Skater/Coaches will wait in their cars in the parking lot until 15 minutes before session begins. All must practice social distancing as they wait. Please do not loiter outside the main entrance.
- Coaches will be responsible for maintaining social distancing of 6 feet when players are on and off the ice and when entering and leaving the ice.
- Once session ends, players should not take off any equipment including gloves and helmets until they have reached their assigned locker room.
- Spectators are limited to one family member per household.
- All on-campus activity will be limited to the hockey rink only. Teams should not warm-up as a group inside or outside the rink. Parents/Coaches are limited to the rink parking lot and the rink.

Cleaning and Disinfecting

- The facility will be cleaned and disinfected in accordance with the CDC guidelines.
- High touch areas will be cleaned more frequently as well.
- Adequate amounts of soap and hand sanitizer will be available for all.
