

GREAT FUTURES START **HERE.**

JOIN FALL TORCH CLUB 2020!

This Fall we will give our middle schoolers the opportunity to reconnect & become more active members of their communities in a fun, in person & outdoor group setting. Torch Club is a National Boys and Girls Club program that strives to provide youth with the ability, confidence and motivation to make meaningful change.

Torch Club Core Principles

- **Self-Leadership:** Knowing oneself, and analyzing one's emotions and actions in order to self-regulate and empower oneself
 - Self-awareness
 - Self-advocacy
 - Goal setting
 - Identifying and solving problems
 - Evaluating

- **Leadership with Others:** Strategic engagement and communication across diverse groups, perspectives and setting in order to create collective meaning and inspire others

- Communication
- Collaboration with peers
- Collaboration with adults
- Empathy
- Perspective-taking
- Conflict management
- Goal setting
- Identifying and solving problems
- Evaluating

- **Leadership in the Community:** Building relationships across different systems in order to bring groups together for a shared goal
 - Inclusion
 - Social responsibility
 - Goal setting
 - Identifying and solving problems
 - Evaluating

GREAT FUTURES START **HERE.**
