

NORTHEAST HUSKIES HOCKEY

Northeast Huskies Howler Vol. 1 Jan. 2020

JOKE OF THE MONTH

What is a hockey spectator's favorite month?...
"Fan" uary.

Featured Coach

Derek Erismann-Squirt A

- What's your favorite NHL Team? Pittsburgh Penguins
- What's your favorite sport other than hockey? probably American football
- Where's your favorite vacation spot? Cape Cod
- What's your favorite food? Mashed potatoes
- What's your favorite "pump up" song? whatever is playing during pregame warm up. Watching the team get going to their music gets me pumped. When I was playing youth hockey I always listened to something heavy like Pantera or Slayer before games.
- If you were an animal, which one would you be? Great white Shark. I've been fascinated with sharks since I was young.
- Why do you love coaching? I love being on the ice and at the rink. It's a wonderful place to be. Sharing our love for the game with younger generations is something I think all coaches want to do. The opportunity to provide kids with all the wonderful experiences I had growing up playing hockey is something I try to bring to the teams I have the privilege of coaching. Herb Brooks (1980 USA Olympic Hockey Coach) said "I'm not looking for the best players, I'm looking for the right ones." That's a quote that has always stuck with me + motto I bring to every team I am involved with.

UCONN Men's Hockey- Upcoming Games

- Jan 25- 4pm @Webster Bank Arena VS Quinnipiac

 *Secret Life of Pets 2

Random Hockey Info

Who invented hockey?

William Fairbrother, from Ontario, Canada is credited with inventing the ice hockey net in the 1890s.

How thick is NHL ice?

Ice is approximately 3/4" of an inch thick and is usually chilled at 16 degrees fahrenheit. The thicker the ice, the softer and slower it becomes.

Huskies Bark Of The Month:

Beth Strede

Beth has been a member of the Northeast Huskies since 2016, with her two kids, Buddy Ethan (Squirt A) and Selena (Mite A). During her time at the Huskies, she has served as Equipment Manager, Team Manager, and is currently on the board as our Registrar. Beth does an amazing job behind the scenes and is a vital part of our organization. If she isn't busy running the clock/music, you can see her in the stands cheering for every kid in a Huskies jersey.

This "barks" for you Beth!
