NFHS COACHES CODE OF ETHICS

The function of a coach is to educate students through participation in interscholastic competition. An interscholastic program should be designed to enhance academic achievement and should never interfere with opportunities for academic success. Each student-athlete should be treated as though he or she were the coaches' own, and his or her welfare should be uppermost at all times. Accordingly, the following guidelines for coaches have been adopted by the NFCA Board of Directors.

The coach shall be aware that he or she has a tremendous influence, for either good or ill, on the education of the student-athlete and, thus, shall never place the value of winning above the value of instilling the highest ideals of character.

The coach shall uphold the honor and dignity of the profession. In all personal contact with student-athletes, officials, athletic directors, school administrators, the state high school athletic association, the media, and the public, the coach shall strive to set an example of the highest ethical and moral conduct.

The coach shall take an active role in the prevention of drug, alcohol and tobacco abuse.

The coach shall avoid the use of alcohol and tobacco products when in contact with players.

The coach shall promote the entire interscholastic program of the school and direct his or her program in harmony with the total school program.

The coach shall master the contest rules and shall teach them to his or her team members.

The coach shall not seek an advantage by circumvention of the spirit or letter of the rules.

The coach shall exert his or her influence to enhance sportsmanship by spectators, both directly and by working closely with cheerleaders, pep club sponsors, booster clubs, and administrators.

The coach shall respect and support contest officials. The coach shall not indulge in conduct which would incite players or spectators against the officials. Public criticism of officials or players is unethical.

Before and after contests, coaches for the competing teams should meet and exchange cordial greetings to set the correct tone for the event.

A coach shall not exert pressure on faculty members to give student-athletes special consideration.

A coach shall not scout opponents by any means other than those adopted by the league and/or state high school athletic association.

16. PLAYOFF SEEDING & SCHEDULING

17. TIEBREAKERS ALL DIVISIONS

18. PLAYING PERIODS

19. OFFICIAL PRACTICE START

20. PLAYOFF AND CHAMPIONSHIP SCHEDULING.

21. CAMPS

14 SEASON BRACKETING

- 14.1** All areas will have available the pre-bracketing rosters with all registered players assigned to a team at the JYFA bracketing meeting.
- 14.1.1** Failure to provide rosters will result in the forfeiture of all votes that occurred during the bracketing meeting.
- 14.2** For season bracketing described in 14.3 all areas will be responsible for assigning teams in the area's designated seeds.
- 14.2.1** If a team disbands and the area is unable to replace all designated seeds, the area will slot an area team in the highest seed first and drop their lowest seeded slot.
- 14.2.2** The area director may replace their lowest seed (only after filling top seeds) with a rookie team built with a roster of 25% or less returning athletes. The rookie roster will be frozen to returning players at bracketing.
- 14.3** In the initial season, all teams will be ranked from 1 – n, where “n” is the last ranked team in each age group. The team ranked number one will be the Carnation Bowl winner in the highest division/pool from the previous season. The second team will be the carnation bowl runner up in the highest division/pools from the previous season. All other teams will be ranked based on the strength of schedule and their results from the previous season; to include the playoffs.
- 14.3.1** JYFA will divide all teams into a pool.
- 14.4** Each team will be scheduled to play teams within their pool with the majority of their games played against the eight teams in their bracket.
- 14.6** For Playoff seeding, each team's regular season win total divided by the regular season strength of schedule to create a “power ranking”. The power ranking will determine the seeding for the playoffs.
- 14.6.1** Any team finish without a win will be awarded the win total of 0.5 to divide by their strength of schedule number of to determine their power ranking.
- 14.7** At the conclusion of the season (after Carnation Bowl) all teams will be ranked based upon regular season wins and, or playoff results, as some teams may not make the playoffs. This will determine the seeding for the next season
- 14.7.1** In the event there is more than one pool for an age group the bottom two teams of the top pool will move down and the top two teams for the bottom pool will move up for bracketing of the next season.

15 SEASON SCHEDULING

15.1 The season shall begin "0" Week for all teams

15.2 "0" Week is determined as 13 weekends before Thanksgiving of that year.

15.3 All teams will be scheduled to play 8 regular season games.

15.4 No team may make scheduling requests.

15.4.1 Games will be played as scheduled; all reschedules will be done by the JYFA scheduler. A coach may NOT reschedule a game. Schedule requests may be made by the Area Director to JYFA at the bracketing meeting but no guarantee of accommodation will be made. Any request made after the official schedule is released will not be accepted.

15.5 No team may make schedule changes

15.6 Fields are rented from local Recreation departments and schools and closure of fields is determined by those entities.

15.7 When weather conditions dictate the closure of fields every effort will be made to reschedule effected games.

15.7.1 Games may be rescheduled to weeknights when space and lights are available.

15.7.2 Games may be moved to Sunday

15.7.3 When more games are affected than there is space available to complete all scheduled games the season may be "pushed" 1 week.

15.7.3.1 "Pushing" the season means that the schedule is delayed by one week. i.e. When Week 5 games are cancelled due to field closure all Week 5 games will be played the following weekend and all following games are then pushed out 1 week, including post season and Carnation Bowl.

15.7.3.2 In the case when more than 1 weekend of play is affected and the season has already been "pushed" the games will be deleted from the schedule and post season bracketing will be done based on games played.

16 PLAYOFF SEEDING AND SCHEDULING

16.1 All teams will be ranked using the end of regular season power rankings.

16.1.1 Power rankings equal the number of wins divided by the strength of schedule.

~~**16.1.2** To make it easier to read, the results will be multiplied by 100 for final posting.~~

- 16.1.3** In the event of a tie the scheduler will refer to the tie-breakers in rule 17.
- 16.2** Up to the top 28 teams in each age group will be bracketed into three pools of 8 teams and one pool of 4 teams for the playoffs. They will be listed in order by their power ranking.
- 16.2.1** Pool 1 will consist of the top eight teams. 1 vs 8; 2 vs 7; 3 vs 6 and 4 vs 5.
- 16.2.2** Pool 2 will consist of teams 9-16. 9 vs 16; 10 vs 15; 11 vs 14 and 12 vs 13.
- 16.2.3.** Pool 3 will consist of teams 17-24. 17 vs 24; 18 vs 23; 19 vs 22; 20 vs 21.
- 16.2.4** Pool 4 will consist of teams 25-28. 25 vs 28; 26 vs 27.

Note: Pools in reverse order will be dropped when there are not enough teams in an age group to fill a completed playoff bracket in accordance to the above.

17 TIEBREAKERS ALL DIVISIONS

17.1 Head-to-head match up

17.2 Conference Record

17.2.1 If there are an uneven number of conference games played by each team the tem with the most losses will be removed from consideration.

17.3 Points allowed v. common opponents

17.4 Total points allowed

17.5 California Play-off

17.5.1 The highest-level tiebreaker that applies to all/remaining teams should be applied.

17.5.2 If all teams have not played Head-to-head, then conference record should be used to exclude teams from the tie.

17.5.3 The remaining teams will then be seeded using Head-to-head.

17.5.4 If remaining teams have not played Head-to-head and Conference Record does not produce a clear winner or loser, then points allowed versus common opponent should be used to exclude teams from the tie and elevate one team to the first available seed.

17.5.5 The remaining teams will then be seeded using Head-to-head if possible or the cycle will repeat.

- 17.5.6** If, and only if, no other higher-level tie breaker can be applied to remaining teams, a California Play-off will be played.
- 17.5.7** Forfeits will not be factored into points allowed v. common opponents or total points allowed.
- 17.5.7.1** If a forfeit offers any team an advantage or disadvantage in points tie the Forfeit should be neutralized to calculate 17.3 and 17.4 by calculating the teams average points per game and adding that number to the total points allowed. If a tie remains move to tiebreaker 17.5.
- 17.5.7.2** California Play-Off will not be used to determine seeding positions. The team with the most completed games will receive the higher seed.

17.6 Examples:

- 17.6.1** Teams A, B, C are all tied for 7th place at 4-4, A is 3-3 in Conference, B is 4-3 in Conference, C is 3-3 in Conference.
- 17.6.1.1** A – Beat B, Lost to C
- 17.6.1.2** B – Beat C, Lost to A
- 17.6.1.3** C – Beat A, Lost to B
- 17.6.1.4** Head-to-head is a circle so conference record is used and B becomes the 7th seed. Now Head- to-head resolves the remaining tie between A & C. C is 8th and A is 9th.
- 17.6.2** Teams A, B, C, D are all tied for 6th place at 4-4, A is 4-3 in Conference, B is 4-3 in Conference, C is 4-3 in Conference, D is 4-3 in Conference.
- 17.6.2.1** A – Beat B, Lost to C, Did NOT play D
- 17.6.2.2** B – Beat C, Lost to A and D
- 17.6.2.3** C – Beat A, Lost to B and D
- 17.6.2.4** D – Beat B & C, Did NOT play A
- 17.6.2.5** Head-to-head is not used yet because they did not all play each other so conference record is used and the tie remains. So Points allowed v Common Opponents is used

- 17.6.2.6** A – Allowed 88
- 17.6.2.7** B – Allowed 79
- 17.6.2.8** C – Allowed 91
- 17.6.2.9** D – Allowed 93
- 17.6.2.10** B wins the 6th seed, we must stay with Points because D did not play A, so A wins the 7th seed. Now we return to Head-to-head and D wins the 8th seed, C- is the 9th seed. Now Head- to-head resolves the remaining tie between A & C. C is 8th and A is 9th.
