

New Fairfield Soccer Club Player Financial Assistance Policy

Adopted 08/06/2007

Revised 00/00/200_

The NFSC Executive Board of Directors may grant full or partial financial assistance at its discretion to families in need. However, financial assistance is meant to supplement, not fully fund, a player's contribution. Families requesting financial assistance should send a request letter to NFSC, Financial Aid, P.O. Box 8867, New Fairfield, CT 06812. The letter should state the circumstances and the need for assistance. All requests will be handled in the strictest confidence. Requests for assistance will be considered on a case by case basis. Financial assistance awards are only valid for the season in which they are granted. All requests for financial assistance must be submitted prior to the posted date that registration closes. Requests received after the posted close of registration may not be acted upon by the Board of Directors. All families requesting financial assistance will be notified as to the Board's determination within two weeks of the club receiving their application. Any other exceptional or extenuating conditions not previously stated may be considered by the Board of Directors.
