

# New Fairfield Soccer Club

## Registration Policy

Adopted 08/06/2007

Revised 00/00/200\_

The New Fairfield Soccer Club accepts registration applications from all age appropriate players. The board of directors shall determine player/applicant eligibility. All applications will be acted on in the order in which they are received and found to be complete. Complete shall mean all information is filled out, supporting documents are included where required, all consent(s) are signed by a legal guardian or applicants having reached the legal age of majority in the State of Connecticut and all fees are paid. Applications that are incomplete will not be acted upon. Roster spots cannot be reserved and filing an incomplete application doesn't hold a roster spot. Players who have not completed the registration process are not eligible to practice and play in games.

### **In-House Division** - U5, U6, U7, U8 Co-ed

At the present time In-House divisions have no roster limitations. All applicants conforming to NFSC policies will be placed on teams. Applications received after the completion of the second scheduled game of any season will not be accepted.

### **Travel Division** – U9 through U19 Boys and Girls

Applications for travel division must be received by the posted date as set by the Board of Directors. Travel teams have roster limitations and space on a team is not guaranteed. All NFSC travel teams are governed by the rules and regulations of the United States Youth Soccer Association (USYSA), the Connecticut Junior Soccer Association (CJSA) and its administrative unit, the Northwestern District of the CJSA (NWDCJSA).
