

# **New Fairfield Soccer Club Risk Management Policy**

Adopted 08/06/2007

Revised 00/00/200\_

The New Fairfield Soccer Club will adhere to the CJSA Risk Management Policy, which can be found on the CJSA website ([www.cjsa.org](http://www.cjsa.org)). This policy requires, among other things, that all coaches, assistant coaches, administrators, other volunteers and referees complete disclosure forms. The CJSA will conduct the background checks. To insure confidentiality disclosure forms should only be returned to the Club President or to a designated Club Compliance Officer. The Board of Directors may impose further risk management policies at its discretion.
