

New Fairfield Soccer Club

Game Cancellation Policy

Adopted 08/06/2007

Revised 00/00/200_

The New Fairfield Soccer Club expects that all games will be played according to the printed schedule prepared by the In-House Director for in-house games and by the Travel Director for travel games. In the event you are unable to keep your scheduled game you must give the appropriate notification to your Director no less than 24 hours before the game time. If less than 24 hour notice is given you will be responsible for the payment of the referee fees for the game and this will not be a reimbursable expense paid by the New Fairfield Soccer Club to the coach of the team.

If in the event a game is called due to lighting and you have already made payment to the referee for the game, the New Fairfield Soccer club will reimburse you if the game is replayed at a later time. You should however notify the appropriate Director of your need to makeup the game.

In the event you need to makeup a game and you have given the other team at least two alternative dates and they are unable to make either date, the President of New Fairfield Soccer Club should be notified. The President will then notify the District Commissioner that there is a potential problem in order to ensure New Fairfield Soccer is not charged a forfeit fee by the Northwest District.
