

USA Hockey Patches Policy and Procedure

Team Managers:

As a USA Hockey member benefit every House and Travel **Squirt, PeeWee, Bantam and High School** player (**ADM/U8 players NOT eligible**) is eligible to receive special USA Hockey Patches for Hat Trick (3 goals in one game), Play Maker (3 assists in one game) and Shut Out (Goalie Shut Out) per season (August 1 to July 31). Every player is eligible to receive ONE Patch per category per SEASON (Fall and Spring combined).

To process the patch request please send copies of the **USA Patch Form Request** along with **readable, non-altered** (a score sheet can NOT be altered after the ref has signed for any reason) score sheets via US MAIL ONLY (they can NOT be emailed) to:

Jessica Westphal
Associate Registrar, SE District
145 Cattail Circle
St. Johns, FL 32259

Patches are processed in batches mid-month during the season by the SE District Registrar so it normally takes 2-3 weeks to get the patches from USA Hockey and then returned to the Team Managers.

Please let me know if you have any questions.
