Data Collection and Purpose Specification

We use information collected only to fulfill your requests for certain services, communicate program information, and solicit volunteers for various RYHA activities.

The Online Registration feature is intended for use by the parents/guardians whose children wish to participate in a Raleigh Youth Hockey Association (RYHA) program. The information collected during the registration process will only be used for internal RYHA purposes. The information collected will not be displayed publicly or made available to third parties.

Children's Privacy

RYHA does not knowingly collect the personal information from persons under the age of 18.

Email Addresses

RYHA will keep all email information confidential. RYHA will never rent or sell your email address to anyone. Although we currently have no plans to send sponsor advertisements with the email notification, we reserve the right to do so at a future time. If we choose to send advertisements, we will do it in the message and never release your email address to the sponsor.

Links to Other Sites

This site contains numerous links to other sites. We do not share your personal information with those websites and are not responsible for their privacy practices. We encourage you to learn about the privacy policies of any company that you visit from our site.

Financial & Credit Card Information

For your convenience, to facilitate player registration, RYHA uses a 3rd Party financial institution to process your credit card information. This process is completed through a direct and secure link to the financial institution. Please note that such information is NOT captured by RYHA or our web provider, "League Athletics" during any part of the transaction process.

Cookies

We use cookies to simplify your experience at our site. For example, your calendar password will be stored in a cookie on your computer, so you don't have to enter it every time you want to look at your team calendar. We will not use cookies to collect information on your web surfing habits.
