I. **Opening of Meeting: - Special Meeting (U16)**

- David Wright called special meeting to discuss -

Discussion on player that tried out for AAA, AA and didn't make team. Offered position to player on the Storm Team. Turned down position and went to Florida AAA, which has now cancelled program. Player would like to be back in RYHA program. David, Steve and Doug discussed and made decision to go outside of the policy and assign him to the Storm Black. John Lenzmeier then got wind and wanted player back on his team since he was originally slotted. John Lenzmeier would like him excluded all together. Mom wants him on the ice, divorced situation etc. Motion made by Todd Phinney, 2nd by Glen Peters to allow him to play without a supplemental tryout based on previous tryout response. Motion passed, Craig Sullivan opposed.

A motion was made by Todd Phinney at 8:07 p.m. to dismiss the Board meeting. Motion was seconded by Glen Peters, motion carried.

Respectfully submitted:

Brenda J. Struder, RYHA Administrator
