The process below identifies the procedure for financial aid awards to Carolina Junior Hurricanes Hockey Association members for known available funding for the playing year 2019-2020.

1. Prospective recipient must submit to the VP of Finance the completed financial aid application along with all requested information. The application is located in the forms section of www.juniorhurricanes.org.
2. The financial aid committee appointed by the Carolina Junior Hurricanes Hockey Association Board of Directors will evaluate each request based on the application, criteria and available funds.
3. Only applications completed in full and with all supporting documents will be evaluated by this committee.
4. The committee will review supporting detail and determine amount of aid to be offered for each application.
5. Aid is distributed among all programs equitably but in order of receipt.
6. The VP of Finance will communicate acceptance or denial to every applicant in a timely manner.
7. Aid is designed to supplement a family's commitment to hockey therefore all applicants will be considered for partial aid only. Full scholarships will not be awarded during the 2019-2020 season. Aid is based on income and need.
8. On selection of financial aid, there will be a required minimum volunteer service of 10 hours. These hours will be reported directly to the Executive Director. Examples of volunteer work include coaching, fundraising events, marketing, team picture day, team manager or serving on a committee.
