CAMP INFORMATION

About the camp...

Under the direction of Mendham High School head baseball coach Brian Weingart, campers will receive instruction in all areas of the game. Age appropriate instruction will include fielding, throwing, hitting, base running, bunting, and position play. Our goal is to provide every player with the best possible environment to learn the game and have fun doing so.

Each day campers will be playing 2 games and practicing skill work. They will also have various skill competitions for the opportunity to win awards. A ceremony will be held on the last day.

Campers should bring a snack and water for each day. In the event of rain the camp will be moved inside.

Camp staff

Instructors will include highly qualified members of the current Mendham High School Baseball staff as well as former players.

From the Director.....

Our goal is to create an environment where all players in the Mendham/Chester baseball community can strive to be their best. By providing our players with the right direction and leadership, I firmly believe Mendham High School can be one of the finest programs in the state.
