

07/01/2014

Summer baseball is underway. Some games are competitive. Some are mismatches.

9's are hosting district tournament. Only 3 teams because Woodbury backed out.

13 regional tournament fundraising is underway.

Issues with Glander 1 & 2 usage. Should B teams be given opportunities to use G1? Some coaches are upset they can't use G1. Joe Mailloux inherited this policy.

G1 & G2 are in good shape and being taken care of. Other fields are in bad shape such as NMS. There are issues with computerized sprinklers at NHS and High Meadow.

There are issues with quiet time at G1. Neighbors are complaining.

Field box at NHS is open. Andy and George Conklin tried to drill out the lock. A parent from the 10's got it open with a blow torch. Also NHS has only one rake.

11u regionals in August. One team is confirmed: Cranston, RI. Brackets may be done, but could be changed by the state commissioner.

Around \$111,000 in bank account. Currently locked out of account because of security problems. Problems should be resolved by mid July. Umpire fees are biggest recent expense. There was confusion about what umpires should be paid. Question about cash flow and how we compare to last year.

Fall registration will open July 15.

Volunteer coaches (one coach and two assistants) are the only ones who will be given a uniform. Other volunteers are welcome, but we can't outfit them with uniforms.

[Much discussion about uniforms, hats, pre-ordering, re-using, etc.]
