

# Girls Hockey Tournament Team

Dear Parent/Guardian,

Port Huron Minor Hockey Association (PHMHA) is looking for parents of girls born between 2008-2011 that are interested in having their girl player join an all-girls tournament team. According to Michigan Amateur Hockey Association (MAHA) bylaws, PHMHA is allowed to dual roster players. As a girls' team we are allowed to play up to 10 games.

We will have 2-3 ice practice sessions per month to help the girls develop their ability and skills to play together as teammates. We could also do some dry land sessions to reinforce the on-ice activities.

We will be doing 2 tournaments. As soon as we know we have enough girls we will know which tournaments we can do.

Ultimately the number of activities and cost of these activities will depend on the interest level of the families participating. If you believe your daughter would benefit from this opportunity, please contact me, I will be happy to review the proposed costs and schedule with you. All costs for this program will be above and beyond the PHMHA fees for U10 and U12 house/travel hockey costs.

Sincerely, Robert Vargo
