

**PARK CITY ICE MINERS
COVID-19 SYMPTOM SCREENING REQUIREMENTS**

All teams should perform symptom screening prior to a team event, practice, or game and keep a record of the event.

1. The symptom screen should include the following:

- a. Date of Event
- b. Location of Event
- c. Participants Names

2. Questions to be asked of each player before they enter the ice arena. If they answer YES to any of these questions, DO NOT allow them into the ice arena.

1. Have you had any of these symptoms within the past 48 hours that are not caused by another condition?

- Fever (100.4) or chills within the past 48 hours
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

2. Have you received a positive COVID-19 test result within the last 10 days?

3. Has anyone in your household received a positive COVID-19 test within the last 14 days?

4. Within the past 14 days, have you had contact** with anyone that you know had COVID-19 or COVID-like symptoms?

5. Within the past 14 days, has a public health or medical professional told you to self-monitor, self-isolate, or self-quarantine because of concerns about COVID-19 infection?

6. Are you currently waiting on COVID-19 test results?

*****Contact is being 6 feet (2 meters) or closer for more than 15 minutes with a person, or having direct contact with fluids from a person with COVID-19 (for example, being coughed or sneezed on)***
