

## Beyond Intro2Hockey

### Jr. Stars House League

#### What comes after the Intro2Hockey program?

Players that complete the Intro2Hockey program have the option of joining our Jr. Stars House League. This league is a perfect platform for new players looking to join a league and be put onto a team! All players must have their own equipment.

#### What is the commitment for the house league?

The Jr. Stars program practice two (2) times per-week and have games on Sunday. Our practices are run by our staff coaches with a strong focus on fundamental skills. We encourage players to attend both practices.

#### Can I join the Jr. Stars mid-season?

Once a season for the Jr. Stars has started, depending on the enrollment for the house league, we may or may not be able to put you on a team mid-season. HOWEVER – if we cannot place you on a team right away, we can have you practice with the league to ensure you will be a part of the program. For those who just practice, it will be a flat fee of \$25 per-time on the ice, payable to the front desk upon entry to the rink that day.
