AED's: Scott Schindler and Sheila Magda discussed the possibility of purchasing AED's for the youth programs. Information from the US Lacrosse website regarding AED's was passed out. Additionally, we discussed the grant program that is available from US Lacrosse that could be used to fund the purchase and training of the AED's.

Concerns around liability and maintaining the training program were raised. We will continue to research this subject before any decision will be made.

Scott Barker, Pittsford Athletic Director, was unable to attend due to a Pittsford basketball sectional game being held at the same time, he will make an effort to attend the April meeting.
