

2013 WALLINGFORD YOUTH LACROSSE PHYSICAL EXAMINATION CERTIFICATION

The Connecticut New York Lacrosse Association (“CONNY”) and Wallingford Youth Lacrosse (“WYL”) require that all children playing lacrosse (“Player”) receive a physical examination declaring the Player fit to play lacrosse. The physical examination must occur within nine (9) months prior to the start of the lacrosse season.

I, the undersigned parent or legal guardian (“Parent”) of the following Player(s):

---

---

---

hereby certify that the Player(s) listed above have received a physical examination no earlier than June 15, 2012, and a medical doctor has found and declared that the Player(s) listed above are fit to play lacrosse. Parent understands and expressly agrees that CONNY and WYL are relying on this certification and the representations contained herein.

Parent also understands and expressly agrees that the Player(s) listed above will not be allowed to participate in any CONNY or WYL practice, game, jamboree or other lacrosse activity unless and until this certification is provided to the head coach of the Player(s) listed above.
