

# Brain Cancer Awareness

## MKA vs. MHS

During the 2017-2018 MKA Boys Lacrosse season, Mrs. Strain, an important member of the MKA and Montclair community as a whole, tragically passed away due to brain cancer which she had been battling resiliently for a while. In order to contribute the fight against brain cancer, the MKA Boys Lacrosse team will be hosting a fundraiser game on Van Brunt Field (4 Lloyd Road, Montclair). At the game, there will be a food truck and T-Shirts for the event will be available for \$25.00. All proceeds will be donated to the Brain Cancer Foundation. The shirt will be the fundraiser for the game played on April 13th at 2:00 pm against Montclair.

Thank you for your support!
