REGISTRATION POLICY:

The board of the Canton Youth Soccer Association feels that all children should be given the opportunity to participate and enjoy youth sports. With that said we need to lay out the following policy for the registration process and payment/cutoff dates. Going forward, we will be strict with registration close dates. All registration dates are stated on our website when the system is open and available.

If a child is registered for a program after the cut off, but before the start of the season, they will be accepted, pending available roster space. There will be a late charged imposed for the late registration of \$25.00.

All due balances MUST be paid prior to the start of the season, players will not be placed on a roster until payment is received.

Any questions about registration please email registrar@cantonsoccer.org.
