

## **CANTON YOUTH SOCCER ASSOCIATION**

### **CYSA**

The mission of the Canton Youth Soccer Association (CYSA) is to provide the children of Canton with instructional and competitive opportunities that promote physical, mental and emotional growth and development through the sport of soccer at all age, skill and competition levels. Each year CYSA provides recreational and travel programs to approximately 450 children.

The CYSA Executive Board along with all of our coaches and support staff are volunteers made up of parents and members of the community interested in ensuring the tradition of providing an educational and fun soccer program for the town of Canton.

### **CYSA Programs**

#### **VOLUNTEERS**

Executive Board members and committee volunteers are of key importance to meeting our mission. We are always looking for volunteers who want to make a difference and enhance their child's soccer experience.

CYSA encourages any parents who wish to support the program to volunteer as coaches or assistant coaches. The only prerequisites are a positive attitude and the willingness to have fun with the kids. No soccer experience is required.

#### **PROGRAMS**

- Kindergarten Clinic (K)
  - Introduces basic soccer skills
