**Team Information:**

We make every effort to form teams based on the school or daycare your child attends; whenever possible your child will be on a team with their classmates and friends. Team rosters will be completed in mid-April and you will hear from your team manager at that time.

**We Need Your Help:**

This age group requires the collective efforts of many parents who pool their available time to ensure all players have a great experience participating in tee ball.

- **Team managers** are required to keep the team organized and informed.
- **Coaches** are required to teach and help players during games and practices.

The league provides team managers and coaches with all the necessary information and resources to manage and coach a team. If you have not already done so, please [click here](#) to indicate your willingness to help with your team.
