

Are you ready to spend part of your spring and summer in the following ways?

- Smiling
- Laughing
- Mentoring
- Instilling the love of baseball, the importance of teamwork and a respect for self and others into Bloomington ball players?

BE A COACH for BTBA! BTBA teams ages 8-14 rely on volunteers as coaches, assistant coaches and team managers. **Be part of the team!**

New in 2017, ALL BTBA coaches will receive mentoring and training from a board member dedicated to the development of our coaching program. For the first time, BTBA will provide additional training to ALL coaches with programming from the Positive Coaching Alliance and also provide assistance on the development of players. **WE NEED YOU!**

Coaching applications are now being accepted at www.btba.org. For more information on coaching, contact Jim Peterson at jimpetersonbtba@gmail.org.
